# HISTORIC LANDMARKS

**Abraham Rodrigues Rivera House**—Located on corner of Duke Street and Washington Square. Occupied by the Newport National Bank since 1803. Built in 1793. Open during business hours.

**Armory**—Newport Artillery Company—The Artillery Company was chartered in 1741 by George II. It is the oldest active military organization in America. Located on Clark Street. Built 1836.

**Bannister House**—Located at corner of Pelham and Spring Streets. Headquarters of British Colonel Prescott. Built about 1737. Not open to public.

**The Breakers**—Ochre Point was built for Cornelius Vanderbilt in 1895. Beautiful site, magnificent interiors. Open daily all summer from 10 to 5.

**The Breakers Stable**—Has been maintained as it was 50 years ago, with the collection of carriages used by the family. Open daily all summer from 10 to 5.

**The Old Market House**—Located on Thames Street, foot of Washington Square. Built in 1762. Architect: Peter Harrison. First used as a granary and market house, later used as City Hall. Now the home of the Newport County Chamber of Commerce. The Helena Sturtevant paintings of colonial Newport are on permanent exhibition in the Grand Committee Room which is open to the public during the summer months. Open daily 9 am to 5 pm. Saturday 9 am to 12 noon.

**Easton Proprietors' House**—Located on Walnut and Second Streets. Furnished with earliest Colonial furnishings. This is one of the two oldest houses on the point.

**First Baptist John Clarke Church**—Located on Spring Street. Oldest Baptist Church in America, founded by John Clarke. Organized in 1638.

**Friend's Meeting House** — Located on Marlborough Street, near Farewell Street. First ever built in America. Built in 1699.

**Governor's Cemetery**—Located on corner of Farewell and North Baptist Streets. A small cemetery which contains the graves of several early colonists of Rhode Island, among them five governors.

**Historical Society**—Library and Museum—Located on Touro Street, about one block from Spring Street. Founded in 1853. Open daily except Mondays and Holidays from 9:30 am to 4:30 pm.

**Hunter House**—One of the ten best examples of early colonial residential architecture in America. Used as the governors mansion, contains magnificent full panelling and fine furniture. Open daily all summer from 10 to 5, and by appointment during the winter months.

**Mawdsley House**—Located on the corner of Spring and John Streets. Built partly in the 17th, 18th and 20th centuries. Known as a house within a house. Its name comes from an early owner, Capt. John Mawdsley, a famous merchant and privateer who lived there from about 1747. A well preserved interior is an excellent example of the wealthy Colonial houses. Not open to the public.

**Old Colony House**—Located at the head of Washington Square. Built in 1739. Architect: Richard Munday. A prominent meeting place for courts, religious and social functions. For many years it was one of the State Capitols. Open daily 10:00 to 5:00 except Monday. Open Sundays 8:00 to 5:00. Open only in the summer.

**Old Grist Mill**—Located on West Main Road, Portsmouth, R. I. Built in Warren in 1812, later moved to the island of Aquidneck. Not open to the public.

**Old Stone Mill**—Located in Touro Park on Bellevue Avenue. According to legend the mill was built by the Vikings about the year 1000.

**Perry Mansion**—Located on Touro Street (Salvation Army Bldg., Washington Sq.) Home of Oliver Hazard Perry, hero of Battle of Lake Erie, 1812. Built before the year 1761. Not open to public.

**Redwood Library**—Located on Bellevue Avenue. Incorporated 1747. Erected 1748-50. Architect: Peter Harrison. Oldest American Library in continuous use. Open to public from 10 am to 6 pm except Sundays and Holidays.

**Rochambeau Headquarters** — (Vernon House)—Located at 46 Clarke Street. Built in 1758. Headquarters for General Count De Rochambeau. A set of old murals are on exhibition. Open to the public by appointment.

**St. Mary's Church**—Located corner of Spring and Levin Streets. Built 1852. A splendid example of old Gothic architecture.

**Stiles Home**—Located on Clarke Street. Home of Ezra Stiles, President of Yale College 1777. Built in 1777. Not open to the public.

**Trinity Church**—Located on Spring Street corner of Church Street. Founded 1698. Built in 1726. Architect: Richard Revolution because it was the English Church. Architecture patterned after Sir Christopher Wren's style. Church and Parish House located on corner Spring and Church. Open 9 to 12 and 1 to 5 daily. Sundays 10:00 to 5:00.

**Synagogue of the Congregation Jeshuat Israel**—Located on Touro Street. Organized in 1658, dedicated in 1673. Oldest synagogue in America. Architect: Peter Harrison. Dedicated by U. S. Government as a National Shrine. Open daily from 10:00 to 5:00 in the summer.

**Wanton-Lyman Hazard House** — Located on corner of Stone Street and Broadway. Erected in 1675. Home of Governors and Patriots. Scene of Stamp Act Riot. Open 10:00 to 5:00 during summer. Completely furnished.

**Weaver-Franklin House** — Located on Training Station Road. A museum of early Americana.

**Whitehall**—Located on Berkeley Avenue, Middletown. Home of Dean Berkeley, great English scholar, author and divine. Can be reached from Newport by Bath Road Aquidneck Avenue and Green End Avenue. Sign boards mark the corners. Open daily 10:00 to 5:00 except Monday, during summer.

**White Horse Tavern**—Located on the corner of Farewell and Marlborough Streets. It is the oldest tavern in America. Open daily 11:30 am to 5:00 pm for lunch and tea.

## WARD BOUNDARIES

**An Act**

In amendment of section 12 of chapter 301 of the general laws, 1938, entitled, "constitution and organization of the general assembly," and in amendment of section 30 of chapter 1392 of the public laws, January session, 1906, entitled, "an act to revise, consolidate and amend the act, entitled, 'an act incorporating the city of Newport,' and the several acts in amendment thereof and in addition thereto, passed April 2, 1875" and of all acts in amendment thereof and in addition thereto.

It is enacted by the General Assembly as follows:

SECTION 1. Section 12 of chapter 301 of the General Laws, 1938, is hereby amended to read as follows:

" Section 12. The city of Newport is hereby divided into four representative districts, bounded and described as follows:

"(1) The first representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Beacon Street; thence, running in a general westerly direction along the center line of Beacon Street to the point where the centr line of Beacon Street intersects the center line of Hillside Avenue; thence, running in a general southerly direction along the center line of Hillside Avenue to the point where the center line of Hillside Avenue intersects the center line of Miantonomi Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Miantonomi Avenue to the point where the center line of Miantonomi Avenue intersects the center line of Sagamore Street; thence, running in a general southwesterly direction along the center line of Sagamore Street to the point where the center line of Sagamore Street intersects the center line of Canonicus Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Canonicus Avenue to the point where the center line of Canonicus Avenue continued in a general southeasterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Malbone Road extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Malbone Road to the point where the center line of Malbone Road intersects the center line of Warner Street extended in a general northeasterly direction; thence, running in a general southwesterly direction along the said extended center line and the center line of Warner Street to the point where the center line of Warner Street continued in a general southwesterly direction intersects the center line of Farewell Street; thence, running in a general southeasterly direction along the center line of Farewell Street to the point where the center line of Farewell Street intersects the center line of Thames Street extended in a general northerly direction; thence, running in a general southerly direction along the said extended center line and the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Long Wharf extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Long Wharf to the point where the center line of Long Wharf intersects the harbor line extended North four degrees sixteen minutes and thirty-seven seconds East; thence, running South four degrees sixteen minutes and thirty-seven seconds West along the said extended harbor line to the point where the said extended harbor line intersects the line of mean high water; thence, running in a general westerly, southerly, westerly, northwesterly, westerly, northerly, easterly, northerly, westerly, northeasterly, southeasterly, and northeasterly direction along the line of mean high water to the point where the line of mean high water in Coddington Cove (so called) intersects the Middletown-Newport boundary line; thence, running in a general southeasterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Beacon Street, which is the starting point or point of beginning.

This representative district shall also include the Islands known as "Goat Island" and "Coasters Harbor Island."

"(2) The second representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Beacon Street; thence, running in a general westerly direction along the center line of Beacon Street to the point where the center line of Beacon Street intersects the center line of Hillside Avenue; thence, running in a general southrly direction along the center line of Hillside Avenue to the point where the center line of Hillside Avenue intersects the center line of Miantonomi Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Miantonomi Avnue to the point where the center line of Miantonomi Avenue intersects the center line of Sagamore Street; thence, running in a general southwesterly direction along the center line of Sagamore Street to the point where the center line of Sagamore Street intersects the center line of Canonicus Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Canonicus Avenue to the point where the center line of Canonicus Avenue continued in a general southeasterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Malbone Road extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Malbone Road to the point where the center line of Malbone Road intersects the center line of Warner Street extended in a general northeasterly direction; thence, running in a general southwesterly direction along the said extended center line and the center line of Warner Street to the point where the center line of Warner Street continued in a general southwesterly direction intersects the center line of Farewell Street; thence, running in a general southeasterly direction along the center line of Farewell Street to the point where the center line of Farewell Street intersects the center line of Thames Street extended in a general northerly direction; thence, running in a general southerly direction along the said extended center line and the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Long Wharf extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Long Wharf to the point where the center line of Long Wharf intersects the harbor line extended North four degrees sixteen minutes and thirty-seven seconds East; thence, running in a general southerly direction along the said extended harbor line and the harbor line to the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Hammett's Wharf (so called) to the point where the center line of Hammett's Wharf (so called) continued in a general easterly direction intersects the center line of Thames Street; thence, running in a general northerly direction along the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Fair Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Fair Street to the point where the center line of Fair Street continued in a general easterly direction intersects the center line of Spring Street; thence, running in a general southerly direction along the center line of Spring Street to the point where the center line of Spring Street intersects the center line of Bowery Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Bowery Street, across Bellevue Avenue and along the center line of East Bowery Street to the point where the center line of East Bowery Street continued in a general westerly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the said extended center line and the center line of Warner Street to the point where the center line of Warner Street continued in a general southwesterly direction intersects the center line of Farewell Street; thence, running in a general southeasterly direction along the center line of Farewell Street; to the point where the center line of Farewell Street intersects the center line of Thames Street extended in a general northerly direction; thence running in a general southerly direction along the said extended center line and the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Marlborough Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Marlborough Street to the point where the center line of Marlborough Street continued in a general easterly direction intersects the center line of Broadway; thence, running in a general northeasterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Ayrault Street extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Ayrault Street to the point where the center line of Ayrault Street continued in a general southeasterly direction intersects the center line of Kay Street; thence, running in a general northeasterly and easterly direction along the center line of Kay Street, across Kay Boulevard and continuing along the center line of a proposed street, which is a continuation of Kay Street, to the point where the center line of the said proposed street continued in a general easterly direction intersects the center line of Bliss Mine Road; thence, running in a general northerly direction along the center line of Bliss Mine Road to the point where the center line of Bliss Mine Road intersects the Middletown-Newport boundary line; thence, running in a general northwesterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Beacon Street, which is the starting point or the point of beginning.

(3) The third representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Bliss Mine Road; thence, running in a general southerly direction along the center line of Bliss Mine Road to the point where the center line of Bliss Mine Road intersects the center line of a proposed street, which is a continuation of Kay Street, extended in a general easterly direction; thence, running in a general westerly direction along the said extended line and the center line of the said proposed

street, across Kay Boulevard and continuing in a general westerly and southwesterly direction along the center line of Kay Street to the point where the center line of Kay Street intersects the center line of Ayrault Street extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Ayrault Street to the point where the center line of Ayrault Street continued in a general northwesterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the said extended center line and the center line of Broadway to the point where the center line of Broadway intersects the center line of Marlborough Street extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Marlborough Street to the point where the center line of Marlborough Street continued in a general westerly direction intersects the center line of Thames Street; thence, running in a general southerly direction along the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Long Wharf extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Long Wharf to the point where the center line of Long Wharf intersects the harbor line extended North four degrees sixteen minutes and thirty-seven seconds East; thence, running in a general southerly direction along the said extended harbor line and the harbor line to the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Hammett's Wharf (so called) to the point where the center line of Hammett's Wharf (so called) continued in a general easterly direction intersects the center line of Thames Street; thence, running in a general northerly direction along the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Fair Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Fair Street to the point where the center line of Fair Street continued in a general easterly direction intersects the center line of Spring Street; thence, running in a general southerly direction along the center line of Spring Street to the point where the center line of Spring Street intersects the center line of Bowery Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Bowery Street, across Bellevue Avenue and along the center line of East Bowery Street to the point where the center line of East Bowery Street con-

tinued in a general easterly direction intersects the center line of Annandale Road; thence, running in a general southerly direction along the center line of Annandale Road to the point where the center line of Annandale Road continued in a general southerly direction intersects the center line of Narragansett Avenue; thence, running in a general easterly direction along the center line of Narragansett Avenue to the point where the center line of Narragansett Avenue continued in a general easterly direction intersects the line of mean high water of the Atlantic Ocean; thence, running in a general northerly and northeasterly direction along the line of mean high water to the point where the line of mean high water of the Atlantic Ocean intersects the Middletown-Newport boundary line; thence, running in a general northwesterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Bliss Mine Road, which is the starting point or the point of beginning.

(4) The fourth representative district shall consist of all that part of said city contained within the following described lines; starting at the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Hammett's Wharf (so called) to the point where the center line of Hammett's Wharf (so called) continued in a general easterly direction intersects the center line of Thames Street; thence, running in a general northerly direction along the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Fair Street, extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Fair Street to the point where the center line of Fair Street continued in a general easterly direction intersects the center line of Spring Street; thence, running in a general southerly direction along the center line of Spring Street to the point where the center line of Spring Street intersects the center line of Bowery Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Bowery Street, across Bellevue Avenue and along the center line of East Bowery Street to the point where the center line of East Bowery Street continued in a general easterly direction intersects the center line of Annandale Road, thence, running in a general southerly direction along the center line of Annandale Road to the point where the center line of Annandale Road continued in a general southerly direction intersects the center line of Narragansett Avenue; thence, running in a general easterly direction along the center line of Narragansett Avenue to the point where the center line of Narragansett Avenue continued in a general easterly direction intersects the line of mean high water of the Atlantic Ocean; thence, running in a general southerly direction along the line of mean high water to Ochre Point (so called), thence continuing in a general southwesterly direction along the line of mean high water to Coggeshall Ledge (so called), thence continuing in a general westerly direction along the line of mean high water to Brenton Point (so called), thence continuing in a general northerly direction along the line of mean high water to Castle Hill (so called), thence continuing in a general northeasterly and southerly direction along the line of mean high water to the point where the line of mean high water in Brenton Cove (so called) intersects the harbor line extended in a general southwesterly direction; thence, running in a general northeasterly and northerly direction along the said extended harbor line and the harbor line to the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction, which is the starting point or the point of beginning.

This representative district shall also include the islands known as "Gooseberry Island" and "Lime Rocks."

SECTION 2. Section 30 of chapter 1392 of the public laws, passed April 19, 1906, entitled, "An act to revise, consolidate and amend the act, entitled, 'An act incorporating the city of Newport,' and the several acts in amendment thereof and in addition thereto, Passed April 2 1875," as amended by chapter 1308 of the public laws, 1915, and by chapter 1661 of the public laws, 1930, and by the chapter 2409 of the public laws, January session, 1936, and by chapter 2458 of the public laws, December session, 1936, is hereby further amended to read as follows:

"Sec. 30. For the purpose of holding elections the city hall shall be divided into four wards and said wards shall be and the same are hereby bounded and described as follows:

The first ward shall consist of all that part of said city hereinbefore described as the first representative district.

The second ward shall consist of all that part of said city hereinbefore described as the second representative district.

The third ward shall consist of all that part of said city hereinbefore described as the third representative district.

The fourth ward shall consist of all that part of said city hereinbefore described as the fourth representative district."

SECTION 3. This act shall take effect upon its passage and all acts or parts of acts inconsistent herewith are hereby repealed.

## Your City Directory has

# HUNDREDS OF USES AND APPLICATIONS

**BUYING**

Learning new sources of supply.
Keeping up with known sources of supply.
Checking on the record of firms from which you buy as to dependability, stability, etc.

**SELLING** (*Including market analysis and sales promotion*)

Locating new markets.
Maintaining up-to-date mailing lists.
Analyzing the buying power of a community or street.
Routing salesmen to avoid lost motion in reaching prospects.
Locating residents of hotels and apartment buildings, many of whom are listed nowhere else.
Identifying names and titles of officials, for use of salesmen.

**CREDIT REFERENCE** (*and Collections*)

Running down delinquent debtors.
Checking credit applications as to address, moving habits, names of employers, stability of employment, family status, neighbors, whether owner or renter, etc.
Identifying persons of same or similar names.
Investigating cases in welfare, charitable, social service and legal work.

**DELIVERY** *Communication, Mailing, Etc.*

Routing deliveries.
Reducing dead letters and insuring more complete delivery of mail.
Effecting delivery of messages and parcels erroneously or defectively addressed.
Correcting names and titles.

**LAW ENFORCEMENT** *Criminal Detection and Apprehension*

Tripping bad-check passers.
Deciphering illegible signatures.
Guarding against habitual bill dodgers.
Tracing heirs and witnesses, settling estates, and establishing facts as of a certain date.

Your City Directory has

## HUNDREDS OF USES AND APPLICATIONS

**BUYING**

Learning new sources of supply.
Keeping up with known sources of supply.
Checking on the record of firms from which you buy as to dependability, stability, etc.

**SELLING** (*Including market analysis and sales promotion*)

Locating new markets.
Maintaining up-to-date mailing lists.
Analyzing the buying power of a community or street.
Routing salesmen to avoid lost motion in reaching prospects.
Locating residents of hotels and apartment buildings, many of whom are listed nowhere else.
Identifying names and titles of officials, for use of salesmen.

**CREDIT REFERENCE** (*and Collections*)

Running down delinquent debtors.
Checking credit applications as to address, moving habits, names of employers, stability of employment, family status, neighbors, whether owner or renter, etc.
Identifying persons of same or similar names.
Investigating cases in welfare, charitable, social service and legal work.

**DELIVERY** *Communication, Mailing, Etc.*

Routing deliveries.
Reducing dead letters and insuring more complete delivery of mail.
Effecting delivery of messages and parcels erroneously or defectively addressed.
Correcting names and titles.

**LAW ENFORCEMENT** *Criminal Detection and Apprehension*

Tripping bad-check passers.
Deciphering illegible signatures.
Guarding against habitual bill dodgers.
Tracing heirs and witnesses, settling estates, and establishing facts as of a certain date.

STREET CLASSIFICATION

The streets are arranged in alphabetical order. They show where they begin and where they end, also the intersecting streets.

□ This symbol following the name indicates that there is a property owner living at that number. It might be the person listed or some member of the family. Usually this symbol is placed after the husband's name, even though the wife is the owner. The publisher does not guarantee its correctness as it is information as received by the canvasser at the property.
